

2018-2022 Ministry of Education

Strategic Plan

As part of the Ministry of Education's commitment and dedication in supporting the Wawasan Brunei 2035 to produce educated, highly skilled and accomplished people, the ministry will launch its 5-Year Strategic Plan 2018-2022 at the upcoming School Leaders Convention Feb 2019. In the plan, *Yang Berhormat Dato Seri Setia Awang Haji Hamzah bin Haji Sulaiman, Minister of Education* stated that the plan "... aims to ensure our education system stays pertinent and continues to deliver value to the national aspiration." The document is a blueprint of how the ministry would achieve this aim.

Strategic Plan Overview

VISION: Quality Education, Dynamic Nation

The Ministry of Education is committed in providing equitable quality education guided by the values of Malay Islamic Monarchy to develop future-ready citizens who are equipped with knowledge and skills of the 21st century. The priority is to develop students to become positive and responsible individuals who can contribute positively to the nation.

A dynamic nation is defined here as a knowledge-based society where knowledgeable and highly skilled citizens can quickly adapt to the constantly changing environment and continue to participate in and contribute to a dynamic economy, maintaining the country's competitive advantage; towards a stable and sustainable economic, social and political development.

MISSION: To deliver holistic education to achieve fullest potential for all

As a professional and dynamic organisation, the ministry will provide a holistic education system through a meaningful curriculum and relevant education programmes implemented with attention given to students. This is to be delivered through a series of key development stages, from early childhood to post-secondary education ultimately with professional quality teachers. They will develop our learners to become proud Bruneians with strong foundation values and character to enable them to actively contribute to the nation.

THE KEY TO SUCCESS

Ministry of Education STRATEGIC OBJECTIVES

THE KEY TO SUCCESS
STRATEGIC OBJECTIVES

Our strategic objectives are three broad actions which we will pursue towards achieving our Vision and Mission. They are:

- Strategic Objective 01**
Transform our organisation human resource towards a performance-driven culture
- Strategic Objective 02**
Provide equal and equitable access to quality education
- Strategic Objective 03**
Enhance shared accountability with stakeholders in the development of teaching and learning

These strategic objectives set our focus and guide our strategies and actions over the next five years. This means we will continue to evaluate our strategies, leverage on our opportunities and strengths in addressing any future gaps and constraints to stay responsive and relevant with our focus.

Based on a review of the ministry's strategic direction and contribution from all relevant stakeholders, strategic objectives have been identified to outline ministerial efforts in the plan.

These strategic objectives are three broad actions that will be pursued to achieve the ministry's vision and mission. They will set the focus and guide strategies and actions over the next five years. This means that the ministry will continue to evaluate its strategies, leverage on opportunities and strengths in addressing any future gaps and constraints to stay responsive and relevant to our focus.
